ENVIRONMENTAL LAW & POLICY CENTER

The Environmental Law & Policy Center is the Midwest's premier public interest environmental legal advocacy and eco-business innovation organization, and among the nation's leaders for change.

We develop and lead successful strategic environmental advocacy campaigns to protect our natural resources and improve environmental quality. We are public interest environmental entrepreneurs who engage in creative business deal-making with diverse interests to put into practice our belief that environmental progress and economic development can be achieved together.

Our multi-disciplinary staff of talented and experienced public interest attorneys, environmental business specialists, public policy advocates and communications specialists brings a strong and effective combination of skills to solve environmental problems in our Midwestern communities.

ELPC's headquarters is in Chicago, with additional staff and offices in Columbus, OH; Des Moines, IA; Grand Rapids, MI; Indianapolis, IN; Jamestown, ND; Madison, WI; Minneapolis, MN; Sioux Falls, SD; Springfield, IL; and Washington, D.C.
