

# Illinois Electric School Buses

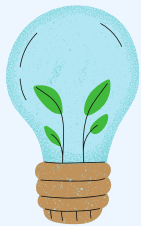

## State Snapshot

This state is full of success stories – **656 electric school buses** have been funded to serve students in **76 school districts**. Students in these districts will breathe cleaner air and see a sustainable solution along with energy savings in action.

**“These new electric buses clean the air our students breathe on the way to and from school each day”**

– Tim Farquer, Willimsfield Schools Superintendent

**“This is a great move for the environment and a great way to model environmentally friendly practices for our staff and students”**

– Pedro Martinez, CEO of Chicago Public Schools
